Chief Donie Lee, just wanted to reach out to you to express my appreciation for the great job the Key West Police Department has done in regards to the Smathers Beach vagrant problem.

Smathers Beach visitors have been harassed by drunks, indecent exposure, pan handling, foul language, fights and vandalism.

Officer Clarke and Officer Delvalle have been outstanding in addressing this problem.

Smathers Beach visitors can feel safe and secure thanks to the Key West Police Department.

Thank you.
